

POSITION: Biomedical Equipment Repair Technician I

LOCATION: Halifax/Montreal/Regina/Woodstock

Duration: Project Based

ARAMARK Healthcare is seeking numerous Biomedical Equipment Technicians in Halifax, Montreal, Regina and Woodstock.

As Biomedical Equipment Technician, you will repair, calibrate, and maintain medical equipment and instrumentation used in the healthcare delivery field. Inspects and installs medical and related technical equipment in medical and research facilities for use by physicians and nurses involved in monitoring, diagnosing, and treating physical ailments or dysfunctions. The Biomedical Equipment Repair Technician services various equipment and apparatus, such as patient monitors, electrocardiographs, defibrillators, electro surgical units, pacemakers, blood-pressure transducers, spirometers, sterilizers, diathermy equipment, patient care monitors, and other related medical equipment. You will repair, calibrate, and maintain equipment, using hand tools, test equipment, measuring devices, and knowledge of manufacturers' manuals, troubleshooting techniques, and preventive-maintenance schedules. Safety-tests medical equipment to ensure patient and staff safety from electrical or mechanical hazards. Consults with medical staff to ascertain that equipment functions properly and safely, utilizing knowledge of electronics, medical terminology, human anatomy and physiology, chemistry, and physics. May demonstrate and explain correct operation of equipment to medical personnel.

ARAMARK is a leader in professional services, providing award-winning food services, facilities management, and uniform and career apparel to health care institutions, universities and school districts, stadiums and arenas, and businesses around the world. In FORTUNE magazine's 2010 list of "World's Most Admired Companies," ARAMARK was ranked number one in its industry, consistently ranking since 1998 as one of the top three most admired companies in its industry as evaluated by peers and analysts. ARAMARK seeks to responsibly address issues that matter to its clients, customers, employees and communities by focusing on employee advocacy, environmental stewardship, health and wellness, and community involvement. Headquartered in Philadelphia, ARAMARK has approximately 255,000 employees serving clients in 22 countries.
